REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 6-8, 17-22, 25, 49-85 are allowed because none of the prior art alone or in combination teaches or suggests the particular subset of the process steps in irradiating the first crystalline semiconductor film with a laser light to form a second crystalline semiconductor film having a warp, heating the semiconductor film to lessen the warp, and then etching the semiconductor film after the heating step to form a crystalline semiconductor island.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
